

Dear EU Network of National Rapporteurs and Equivalent Mechanisms on trafficking in human beings,

We are pleased to share with you a short [video summary](#) of the 5 December High Level Event “Leaving no one behind: breaking the silence on trafficking for sexual exploitation”, prepared by Commission’s communication services. You are encouraged to further disseminate to all relevant stakeholders.

Organised in the context of the Joint Session of the meeting of the EU Network of National Rapporteurs and Equivalent Mechanisms (co-organised with the incumbent Finnish Presidency) and the EU Civil Society Platform against trafficking in human beings, the event aimed at further operationalising the close cooperation between all relevant actors that the EU Anti-trafficking Directive calls for.

It is a pleasure to be able to say that the focus and the constructive and lively discussions received very positive feedback, both during and after the event.

We take the chance to thank you all for your continued commitment to the joint efforts to operationalise what has been our motto since 2012: “Working together against trafficking in human beings”.

Best regards,

Office of the EU Anti-Trafficking Coordinator
